Shawn,
Always remember the good ole Spotswood days and the fun times in church and S.S. and G.S. and walking home from church. (Sometimes it's so hard to hold back a laugh in choir) and never forget the facts of life that we learned from Teri A. Take care scrawny,

Shawn, It's hard ... just great! Keep in ... Armory Dances - etc. ... sweet + cute ... are ... (Linda) ... always stay ... of ... all ... mind ... year - it was ... Those ... about ... everything (good)

Shawn:
Remember all those great (?!) times in M.Y.F. Didn't have any classes together last year, but I think we're still pretty good friends. Stay sweet!

Love,
Marilyn

Shawn (Squeaks)
Always remember
that great slumber party
you had (and when we watched
Cinderella) [illegible] we spilled
[illegible] chocolate fondue all
over [illegible] a lot [illegible] coming
to my bday party and for
the [illegible] (Really) stay
as sweet as you are and
remember "your great [illegible]"
in part of '78,
Always
C.J.H.

Shawn,
I didn't see you
much last year,
but this year we
[illegible] better. I'm
glad to hear we
had (or have) something
in common, meaning "boys"
[illegible] [illegible]!! Stay
quiet.
Love ya,
Bonnie Wells

Shawn Murphey

Shawn,

I really don't know what to say. We had some really great times in French, well, I don't know how great they were, but we had fun. I just couldn't stick it out another year. We've had some great times. I hope in the next two years we'll have many more. I guess I get to write again next year, that may be sad, our last year.

Love,
Kathy

Shawn,

Always remember the great times we had at Taj meetings (when I did come!) How about Biology before you left (you fink!) Never forget that guy who wanted to take you out. What a laugh that was; Catch ya later!

Love ya,
Kelly

Shawn:
I think this year in chemistry is our first class together, I know we'll have alot to remember from this class. Good Luck!
Kathy K.

AFA

It was fun having you and Logan in the same room at the same time. It was Ha Ha
Mr Kelley

...a sweet ...eal. Remember class of '78; Good luck in the future.

Shawney,

To the cutest, scrawniest girl of H.H.S. Don't forge last year (How could you) in Mr. Brenneman's class and "Team Work!" and what did you learn in English today... Sharing!" We had so much fun in there and we didn't learn a thing. Don't forget our awful gym class and how we hated Miss Quarrell. And don't forget about child abuse either or Betsy! Pember walking each other to classes especially to French class and me shutting you up in the glass box outside the door. How is your plant? I had so much fun at your slumber party. Don't forget us making fools of ourselves (we did that so many times) at Christmas by doing Rudolph for everyone. We had so much fun last year that I'm sorry we don't have any classes together again this year or I didn't see you much this summer. Thanks a lot for inviting me to your sister's wedding, it was beautiful. Good luck this year in school and I hope to see you some this year.

love

PAST

We hope there is a patriotism founded on something better than prejudice; that our country may be dear to us without injury to our philosophy; that in loving and justly prizing all lands, we may prize justly and yet love before all others our own stern motherland.

Thomas Carlyle

PRESENT

A Song of Now—and the days before us
With vaster marvels for us to scan
A song whose jubilant lifting chorus
Rings with the hopes and the dreams of Man!

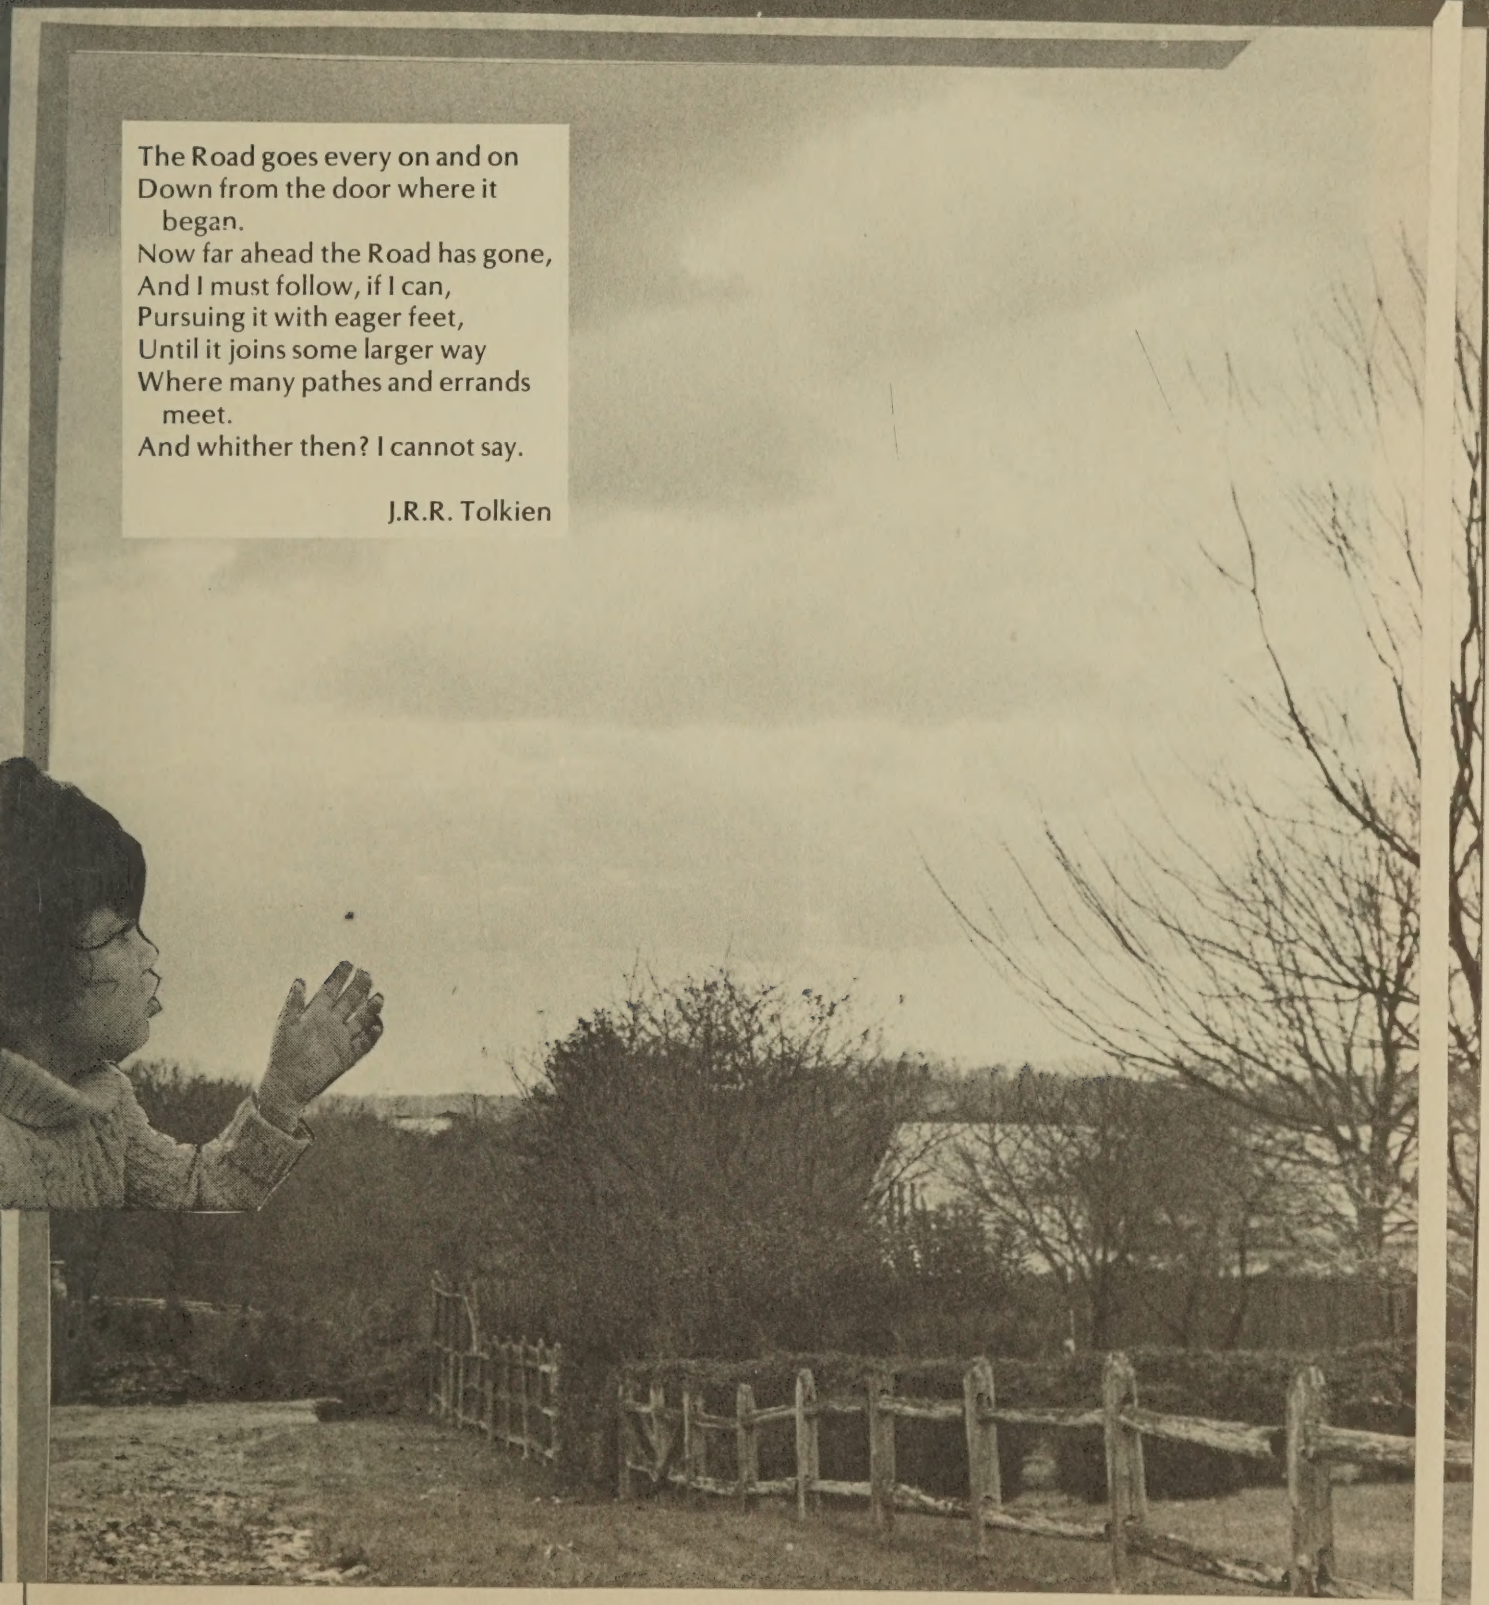
DISCOVERY



The Road goes every on and on
Down from the door where it
began.
Now far ahead the Road has gone,
And I must follow, if I can,
Pursuing it with eager feet,
Until it joins some larger way
Where many pathes and errands
meet.
And whither then? I cannot say.

In rememberance of Angie Gandis

The days and the nights will run together
The space of our lives are the same as
the time
For wherever you are, and where I am,
are the same as we progress farther
in our lives.
When both spirits will run together, then
I know things will be better
Tomorrow in Paradise we can share a
piece of mind
And also not have to say good-byes.

As the U.S.A. looks over the highlights of its past 200 years, the Class of '76 reflects on its years at HHS. The Class of '76, as with each class, engaged in many activities to raise money. However, it wasn't until our sophomore year that we began to make our mark in the records of HHS. Once we got started it was easy to win in the float and spirit week competition. Our biggest accomplishment was a very successful prom: Las Vegas '75. As the years have gone by we have become more spirited and we are very proud to be a part of the bicentennial year.

MASSANUTTEN REGIONAL LIBRARY
Harrisonburg, VA 22801

We the graduating class of nineteen seventy-six are proud to be a part of the bicentennial festivities of our nation. Following the tradition of HHS through sixty-eight years, we feel it is our privilege and duty to continue to uphold the Blue Streak Pride. In showing our spirit and dedication, we mutually pledge to each other our dedication, our ability, and our Blue Streak Spirit.

The Junior class was left behind in the winnings in the 75-76 school year. That never discouraged them a bit; they kept right on working. The Jiving Juniors always show much spirit and pride in their school. They have been working diligently to produce a very successful prom. They conducted a very rewarding carwash, bringing in almost three hundred dollars towards prom. This year seemed to bring everyone a little closer; maybe they are just realizing that they are not going back in time. It's forward all the way.

The Class of '78 continued their sinnings from last year with two victories. The first came with the magazine sale when the super Sophomores pushed out in front and stayed there. The next came with the Homecoming float competition where the float came away with a victory. During Spirit Week the Sophomores ran a close second with the cafeteria theme "Carnival". They are proud of their representation in varsity sports. Football had many Sophomores, even though it is considered predominately a Junior and senior sport. Also class spirit has really risen over the past year with the Sophomores showing a great deal of participation in their class. The bake sales have always been successful on parent-teacher conference days. Their class has always been a closely knit and spirited one and they hope to remain that way they leave H,H.S. in '78.

The Class of '79 has really proved itself to be one with an understanding soul. If not, they would have gotten those judges long ago for disqualifying their magazine skit because of too much obsenity. But they overlooked that small problem and kept their spirits high, right into Spirit Week. Their strength was not only proved in their cheering and turnouts for games but also when they beat the Sophomores, Juniors, and yes, the Seniors, in the Tug of War contest. This year, despite the little downfalls, has been a good, funloving year for them. They would just like to say that they are proud to be a part of H.H.S. in this 1975-76 Bicentennial school year.

Special Events

Rain dampened the festivities of Homecoming 1975. The football game with Broadway and the halftime show by the Band and Drill Team originally scheduled for October 17th was postponed until November 14th. The annual parade was held the following Monday, despite the lack of spectators. Although judging was questionable, Sophomores captured first place in float competition with their interpretation of the Homecoming theme—Streak Spirit Forever. The Homecoming Court was presented at the dance and Queen Julie Fitzwater was crowned along with Maid of Honor Agness Hueston. Southern Cross set the mood for an exciting evening plus a night always to remember.

S.C.A. Officers

The SCA is the organization which all students are members. The Student Council is composed of elected representatives of the entire student body, and carries out the business of co-ordinating the student activities throughout the whole school. The big thing this year was the hosting of the Virginia Student Co-operative Association Spring Conference which was attended by students from across the entire state of Virginia. Other efforts this year have been directed toward the re-establishment of the ICC (Inter Club Council) to work toward open communication between students, faculty and administration.

Squatting, Left To Right: Dave Jones (President), David Ehlers (Treasurer), Joey Morris (Vice President). Standing, Left To Right: Mrs. Grandle (Sponsor), Cheri O'Neil (Secretary), Robin Blauvelt (Reporter).

National Honor Society

The Harrisonburg High Chapter of the National Honor Society was established in 1965 under the principalship of Mr. Robert Horn. As part of a national organization it seeks to honor those students who have maintained a high scholastic average as well as high standards of character, leadership, and service to the school and the community. Members are inducted into the society in an assembly in May. Currently there are nineteen members.

Standing, Left To Right: Terry Myers, Becky Price, Starr Green, Cheryl Krech, Melora Conis, Scott Callahan. Sitting, Left To Right: Julie Fitzwater, Terri Rotzin, Terry Zirkle, Lisa Donegan, Carolyn Huddle, Pam Collins, Agness Hueston, Debbie Glick. Standing, Left To Right: Mrs. Blakey (sponsor), Heidi Blauvelt, Becky Price, Scott Callahan, Steve Hashiguchi, Lora Hanson. Seated, Left To Right: Kim Long, Kathy Bradshaw, Frank Bell, Brenda Burtner.

Honor Council

Members of the Honor Council are elected by their class in the freshman year. The Honor Council works to protect the rights of the students. Cases concern any breech of the Honor Code, and they are kept confidential by the Honor Council. In trying a case, first the council hears the evidence. Then, having reached a decision, they make recommendations to the administration, concerning the case.

Standing, Left To Right: Mr. Fred Denlinger, John Gordon, Al Adcock, Scott Maphis, Torin Finney, Andy Powell. Seated, Left To Right: Kerry Abbott, Ramona Schaeffer, Claire Liddle, Brenda Ackerman.

Debate Club

The Debate Club, which has been re-established after a few years of non-existance, consists of an enthusiastic group of students who are interested in learning the fine points of debate. Mr. Arthur Van Lear, a seasoned debator from Madison College, is serving with Mr. Fred Denlinger as co-sponsor of the club.

Forensics Club

Forensic activities include training and competition in the area of extemporaneous speaking, original oratory, prose reading, poetry reading or spelling.

The general purpose of these activities is to motivate participation in and to improve the leval of forensic activities among high school students. This purpose may be served effectively only when a large number of students participate.

Standing, Left To Right: Shera Haynes, Mrs. Brock (sponsor), Mrs. Wysong (sponsor), Mrs. Anderson (sponsor), Al Adcock, Bill Vance, Melora Conis, Peyton Neatrour, Dolly Sease. Seated, Left To Right: Kerry Abbott, Mrs. Warren (sponsor), Elizabeth Brooks, Mrs. Driver (sponsor), Pat Knupp.

Streak

This year the Pep Club had more active members than last year. Their main money-making project was a coffee and bake sale for the teachers of District G. The Pep Club made spirt buttons and also sponsored Spirt Week.

Spirit

War Games Club

The Harrisonburg High School War Games Club, orgagnized just this year, has one main obective—to have fun. We feel this is very important because without it, it is almost impossible to enjoy one's self. The War Games Club is for those who want to improve their tactics ablilties. The club tries to revive interest in ancient and unknown games by providing students with opponents and tournaments. It meets on an irregular schedule (whenever they feel like it) and there are no specifications to join. All students are welcome.

Standing, Left To Right: Chirs Magee, Jake Avancena, James Smith, Robert Sanders, Torin Finney. Seated, Left To Right: Andy Powell, Clare Liddle, Bill Vance, John Gordon, Ramona Schaffer. Absent: Daniel Myers.

Activities of the Future Business Leaders of America are varied. During the summer, the chapter was represented at a week-long Youth leadership Conference at Massanetta Springs. In early October a picnic was shared with all area high school FBLA chapters followed by a regional workshop at Madison College in preparation for the Spring Regional FBLA meeting. At the Spring meeting, numerous contests are held, among them spelling, public speaking, Mr. and Miss FBLA, clerk typist, bulletin boards, and exhibits. The operation of the bookstore throughout the year is the money-making project of the chapter.

Future Homemakers Of America

The Future Homemakers of America stared their year off by holding a picnic for all those interested in joining the organization. Their activities throughout the year are many and varied, including such things as collection and delivering food to needy families, holding an open house for teachers and parents, sponsoring an officer's trip to Washington D.C., and inviting foreign students in to talk. Besides this, the FHA also organizes educational programs each month, as well as having social gatherings, such as picnics and parties. The FHA also explores such topics as career opportunities, the world of work, and community concerns.

Seated, Left To Right: Jeryl Dickerson, Suzanne Peale, Anita Strother, Teresa Graves, Felicia Banks. Standing, Left To Right: Delores Grogg, Audrey Morris, Donna Martin, Dottie Warner, Robin Winston, Lori Green.

H.H.S. Marching Band

This year's marching band showed it's "Blue Streak Spirit" as it was up against its busiest season. Besides new songs and routines for eight halftime shows, the band marched in five parades and participated in the U. Va. Band Day, not to mention the many spring activities. The old Blue Streak Spirit really came through on October 11, when the band attended the Autumn Glory Festival in Oakland, Maryland and still did a halftime show immediately upon its return trip home.

Becky gives a "Foxy Lady" smile.

Drill Team: Bigger And Better Than Ever!

Though at times they may seem a bit disorganized . . .

School year 1975-76 brought many new things to many different people, but to the drill team at H.H.S. it gave thirteen new girls a place on the squad along with ten returning girls from the previous year. Even though it was one of the largest squads in drill team history, the girls performed with no less excellence. They performed at all home football games as well as representing Harrisonburg at the Autumn Glory Festival in Oakland, Maryland. True dedication showed through as the band and drill team marched straight from the bus onto the field for a halftime show scheduled that same evening. Yes, a very long and tiring day, but also a very impressive show. The drill team also helped to represent H.H.S. at Southhampton when the Streak football team went to the State semi-finals for the third consecutive year. During basketball season the "lovely ladies" could be found again on the floor at halftime delighting the fans once more. Performing at Godwin Hall left perhaps the greatest feeling, but no matter what the location, or who the crowd, the drill team demonstrated their usual techniques—Perfection at its best!

Once together they're beautiful to behold!

HHS Concert Band

The 1975-76 H.H.S. Concert Band, despite its size, is a strong musical organization this year and is loaded with musical talent. Scheduled performances have and will be the annual Christmas public concert and assembly and a spring program in May. The band is hosting the District V Band Festival in March at which time it will receive a written evaluation and a rating. Individuals and groups of members have also been selected to participate in a variety of events this year. Eleven were selected to attend Regional Band, two attended a clinic at Shenandoah Conservatory, three were selected for the Virginia Bicentennial Band, ans some will participate in the local Bland Contest and the District V Solo Festival.

Madrigal Choir Has Another Good Year

The Madrigal Choir is made up of students who have taken one year of choir at some time previously. Their performances this year include not only High School Assemblies, but also churches and civic clubs, such as the rotary club in Harrisonburg. Members from the choir are also able to Audition for the Regional Chorus which will perform in February at Albermarle. Nine members were selected this year: Cheri O'Neil, Karen Texiere, Marie Moore, Kathy Kennedy, Kim Long, Brenda Burtner, Eddie Radar, Bill Vance, and Dinnie Lambert. From those selected to perform in the Regional Chorus, several of the Juniors or Seniors will be chosen to be a part of the All Virginia Chorus which will hold its performance in Williamsburg. In addition to all these events, the Madrigal Choir has something new scheduled this year: a city-county choir made up of the top members from each of the five local choirs. This is a first for the Harrisonburg-Rockingham County area—it will be held in May at Madison College.

Library Aides

Pat Knupp, Linda Carrier, Julie Fitzwater, Jetta Bradburn.

Again in December the Library held its annual paperback bookfair with the theme "Books for Christmas, Giving and Getting". Profits from the bookfair were used to replace worn out paperback books in the Library, to provide a coffee for the faculty during exams in order to display new materials in the Library, and to take a field trip. The Library Council was active this year in creating Bulletin Boards, manning the circulation desk, shelving, writing overdue notices, delivering films, aiding students in using the Library, and maintaining the HHS Spotlight with news of school activities. This was the first year that students participated in the Multiple Sclerosis Read-a-thon sponsored by the Library Council.

The Industrial Cooperative Training Department, sponsor of the Vocational Industrial Clubs of America Chapter (VICA), is dedicated to the promotion of student involvement in the business world, building leaders for tomorrow. This is achieved through in-class training and discussions, visits to industry, participation in district, state, and national leadership conferences, and actual on the job training in the the industrial fields offered in Harrisonburg. Each cooperative training student is paid a wage or salary by his prospective employer and also receives two credits toward graduation.

"Brenda, what a funny joke. Ha."

VICA members have participated in numerous meetings and social events this year, highlighted by the annual Employer Appreciation Banquet and an exciting trip to "Old World" Busch Gardens in Williamsburg.

Mr. Shipp offers valuable advice.

DECA

The Harrisonburg chapter of the Distributive Education Clubs of America is a co-curricular club required of students enrolled in DE classes. The chapter has held a picnic at Hillandale Park on September 24 to welcome new members, attended the DECA District X Fall Rally at Massanetta Springs on October 17, held its Officers Installation and New Member Initiation Banquet at Lloyd's Steak House on November 5. The officers attended the DECA District X Officer Training Conference at Luray Caverns in October. During November and December the members placed Muscular Dystrophy cannisters in their places of employment. In December the members conducted an advertising survey in the school for Leggett's Department Store. DECA also ran the concession stand during football season.

DECA members will compete in contests at the DECA District X Leadership Conference in Charlottesville in February. First place winners will compete at the State Leadership Conference in Roanoke in March and first place winners there compete in the national in Chicago in May.

DECA will sponsor an Employer Appreciation Banquet in May and will take a trip to Regency Square Mall in Richmond and King's Dominion in May.

The Modern Language Club

This lovely, lively alert group of comprises our wonderful Modern Language Club.

Following a successful initiation picnic at Hillandale Park at the beginning of the year, the Modern Language Club got off to a great start this year. Hot chocolate and coffee sales at the football games and the annual Mardi Gras were the biggest money-raising projects held. The club had an International Chirstmas party for the enjoyment of its members, guests, and the foreign students learning English at the school. The money raised during the year will be used in a trip to Kings Dominion at the close of school to reward the members for a hardworking year.

Since there was no journalism class this year, the Publius was forced to form in the interest of the students. Inexperience and lack of dedication held the newspaper to getting a slow start, but attendance by some staff members to area workshops helped in developing an innovative approach to journalism. The Publius sponsor, Mrs. Sullivan, worked long hours to make up for the lost time from the staff, but eventually they began to show more interest, and the newspaper was seen more often around the school. Willingness and devotion is what a newspaper is all about and this is what will be needed to continue the Publius in the future.

(Above): Gina and Kathy demonstrate what kind of fellowship can be found at an HHS Drama meeting.

(Right): One can tell at a glance: the third little pig and a big bad wolf.

(Below): John sweeps his audience off their feet with his dashing impersonation of King Midas.

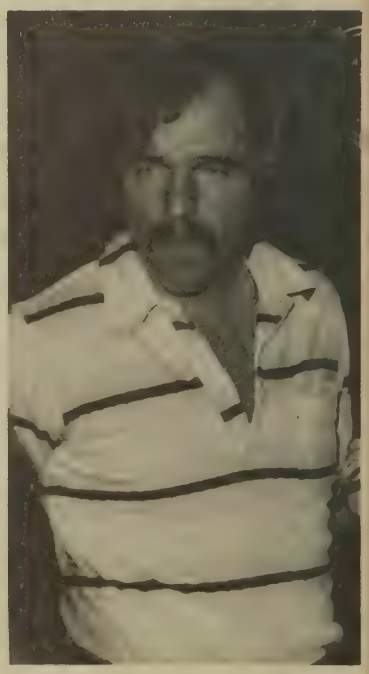
The purpose of the Harrisonburg High School Drama Club is to inspire interest in theatre crafts (which does not say much, but is sounds good.) The club brings out and develops talents that many members did not know they possessed. They not only gain valuable experience, but also have a good time doing it.

The club's main projects have been the One-Act Play Festival, in which they received an "excellent" rating, and the Evening of Drama. The latter featured examples of several different styles of plays, some of which were directed by students.

Campus

A Chance To Goof Off;

What do you do at a Campus Life meeting? That's a hard question to answer—you name it, and it's probably been tried. There have been such things as banana eating contests, roller skating, pies thrown at various individuals, and many other strange and unusual activities. Anybody who is willing to risk it is welcome to come.



Bill, Elaine, and Rich—part of Campus Life's wonderful staff.

A Chance To Find Out Who You Are

Life

There is also another side to Campus Life—one that takes a more serious look at life. Here, different thoughts, ideas, and questions are brought up, some of which take a bit of good, serious, down to earth thinking. For those who really enjoy this part of the meetings, an "Insight" group, which takes these questions and relates them to God, has been formed. "Insight" provides some close fellowship, plus a great time!

Of Christian Athletes

The Fellowship of Christian Athletes is an organization in which students who participate in sports come together in Christian fellowship. The FCA meets twice a month at which time there are devotional programs and films shown. The major project of the FCA is its Christmas Drive in which food, toys, and clothing are collected and distributed to needy families in the Harrisonburg area.

Rapp wraps

Although the FCA heads the annual drive for Christmas gifts, this project involves nearly the entire High School. Starting around DEC. 5, students from every class begin bringing food and toys from their homes to their homeroom classes. Once a fair amount of goods have been accumulated, they are wrapped and placed in baskets which are given to the FCA. A list is obtained of those families who are in the greatest need of Christmas goods, and the baskets are delivered to the doorsteps of these homes.

The Taj Staff Has A Full Year

A big turnout at the year's beginning managed to dwindle to its usual dozen hard workers.

Deborah and Cheri . . . deep in concentration.

The Taj staff is an extremely hard working group of dedicated students. 1975-76 has been a year filled with many trials: missed deadlines, working with a limited staff (it was larger at the beginning of the year, but dwindled down considerably) and not enough pictures (as usual). But we came through!!! And some of us even like the results! We think it looks good even through all the trials, fustrations, and last minute rushes. So now we will leave all our troubles, messes, and a good old year to the people of next year's Taj!

Freshmen do some last minute brainstorming.

The 1975 football team kept up Harrisonburg's winning tradition by capturing their 3rd straight District and Regional Titles. After finishing with a 9-1 regular season record, the Streaks stomped Spotsylvania for the Regional Championship before falling to Southampton in the State Semi-finals. The Streaks started their season looking very impressive by easily winning their first seven games. Tail back Paul McKenney led the way as he had four straight one-hundred yard games. The Streaks first tough game came on a cold Halloween night against the Handley Judges. After a scoreless first half, Handley came out and took a 7-0 lead in the second half, Handley Judges came out and took a 7-0 lead in the second half. With time running out in the 4th quarter, quarterback Joe LaSala hit tight end Bret Wescott on a 57 yard touchdown pass but kicker John Hayes failed to convert on the extra point, giving Handley a 7-6 victory. The Streaks came out and clinched the Valley District Title the following week by defeating the Turner Ashby Knights in the pouring rain. After another scoreless first half the Streaks came out ready the second half. Trailing 12-7 late in the 4th quarter, LaSala hit split end Jimmy Wheatley on a 62 yard pass that carried the Streaks inside the 5 yard line. Paul McKenney carried it over for the touchdown and Wheatley caught the extra point to assure a 15-12 victory. The Streaks finished their regular season the following week by easily defeating Broadway 42-0. LaSala led the way by throwing 3 touchdowns and running for 1. The Streaks won the Regional Championship the next week by beating Spotsylvania 33-13 and the following Saturday afternoon lost a hard fought battle to Soughampton. The Streaks scored first when LaSala hit Wheatley on a 9 yard T.D. pass but Southampton came right back and went on to win 20-14. It marked the third straight year that Southampton has defeated Harrisonburg in the State Semi-Finals.

For solid performances, eleven players were named to the All District Team. They were: Quarterback Joe LaSala, Split End Jimmy Wheatley, Tight End Brett Wescott, Guard Dan Rublee, Kicker John Hayes, Defensive End John Driver, Defensive Tackle Joe Neff, Linebackers Bud Zirkle and Dan Callahan, and Defensive Backs David Ehlers and Joey Morris.

Sophs Go 6-1

After dropping their opening game to Lee, the Sophomore team under the coaching of Peter Mullen and Jeff Stickley came back with an impressive record of six wins and one loss on the season. The offense was lead by quarterback Terry Wescott and running back Jeff Miller. Tommy Showalter added a new dimension to sophomore football with his kicking specialties. Defensive standouts who did a good job were Jeff Salem, Kurt Herring, and Stanley Eye.

J.V.'s Have A Great Season

The J.V. Football team enjoyed a very successful season, finishing with a 7-1 record. Coach Mitchell and his assistants are to be commended for molding the young group of boys into a well organized football team. They started with a big 14-6 victory over a much larger Fredrick County team. The little Streaks continued to roll over such rivals as TA, Broadway, and an impressive come from behind victory over R.E. Lee. Everyone played alot, and the coaches were very pleased with the overall season. The only loss came at the hands of Kate Collins in the final game of the season. Next year's team will be sure to miss: Tom Labieniec, Brad Nunemaker, Ricky Wimer, Stephen Carter, Frank Hartman, Carl LaBoube, Tony Ritchie, and Greg and Jeff Derrow as they go on to the Sophomore or even Varsity Football for the H.H.S. Blue Streaks. The J.V. Football team experienced one of its best seasons in the history of H.H.S.

The 1975 Cross Country season was not as successful as the team had anticipated. The year was viewed as a building year, since many of the members of the team were inexperienced. Next year the team expects to do better as they are losing only two seniors, Kevin Parker and Becky Price. Rusty Mason and Kevin Parker were co-captains this past season.

Streakettes Have Snappy Season

The Girls' Basketball team rounded-out their season with an even 7-7 record. Coached by Miss Quarles, the team worked well together despite some heart-breaking losses. Leading the team was Cheryl Krech, a returning player, backed by newcomer to Varsity Angie Wright. Carla Amos and Pattye Sites were also important standouts to this year's team. Although the Streakettes lose four seniors, Bobbie Richardson, Carla Amos, Cheryl Krech, and Pattye Sites next year's team should prove to be another good year for Girls' Basketball at Harrisonburg High School.

The HHS Girls Junior Vasity Basketball Team was lead this year by its two co-captains, Carmen Suter and Cheryl Riggs. As the lone sophomores on the team, they provided the necessary experience to compile an overall record of 8-6 for the season. In addition to these two, the j.v.'s were made up of nine freshman and four eighth graders. Carol Johnson set a new j.v. rebounding record by grabbing a total of 199 rebounds for the year. She was assisted by a sister combination of Jill and Meg Breneman. Scoring this year was lead by eighth grader Barbara Beard with 140 points for the season. She was followed by Cheryl Riggs with 128 points. Lack of experience did hinder the team in several of the district games but there was not one opponent that did not know they had been in a good game when the final buzzer went off. The team is hoping for even a stronger finish next year.

The Varsity Basketball Team had an up and down season. The Streaks began the season slowly due to the late start because of football but finished the season by winning three straight games in the regional playoffs and making it to the state semi-finals. Martinsville ended the teams '75-'76 season and went on to win the state championship. Under the coaching of Roger Bergey and Lee Dellinger, the Streaks finished the season with a 17-10 record. It was the first year ever that Harrisonburg has won back to back regional titles in both football and basketball. The team was noted throughout the season for their quickness and tough defense. The team was led by seniors Godwin Barber, Jimmy Kramer, Larry Brown, Jimmy Wheatley, David Ehlers, Paul McKenny, and John Driver. Barber and Kramer led the team in scoring while Barber led the team in rebounding. Barber was named to the 1st team all district and Larry Brown was named to the 2nd team.

The junior varsity basketball team had a successful season this year posting an 11-7 over-all record and a 7-3 record in district. The baby Streaks were led by freshman Ralph Sampson who was the leading scorer and rebounder. High points of the season were wins over Turner Ashby and Robert E. Lee. Throughout the season the Streaks were marked as one of the best J.V. teams in the district. Captains for this year's team were Ricky Lingon and Hank Heath both sophomores who provided fine leadership. People who started throughout the year were Bill Hall, Hank Heath, Roland Dickerson, Ricky Lingon, Scott Garber, and Ralph Sampson. The team was helped greatly by a strong bench many of which were freshman and will be back next year to lead the junior varsity.

Ralph Sampson started the year as a J.V. but finished on the varsity.

The wrestling team, with head coach John Seal, had a record of 8-4. They defended their title as Valley District Champs for the 2nd year. The Christmas tournament was more competitive this year. The six teams in the tournament were: Loudon County, Orange, Brentsville, Charlottesville, Handley, and Harrisonburg. In this particular tournament, Harrisonburg placed 2nd behind Orange. The wrestling team gained another assistant coach, Bill Bergstrom. Outstanding wrestlers were: Sam Bland, state runner-up; Jeff Miller, state runner-up; George Kostis, state runner-up; and Joey Morris, 4th in state. The wrestlers placed 4th in state behind Grundy, Glenvar, and the state champions Brookville. The state wrestling tournament will be held here next year.

H.H.S. girls gymnastics team completed a very successful second year. Even though last year's team effort was impressive, this year's was even better. The girls faced much rougher competition this year but came out on top—undefeated, in regular season competition with impressive wins over T.A., Handley, and Albemarle, a triple A school. Much improvement was shown in all four competitive events with frequent scores in the 6's and 7's. The team took First in district for the second year and placed fourth in the regionals. Anne Bodkin, a freshman, placed second at regionals and went on to state. If girls gymnastics '76 is any indication of the future, things will certainly be bright for the girls of H.H.S.

The Stars and Stripes, more popularly called Old Glory, got its nickname in 1824, when a Salem, Mass. man affectionately termed the flag he'd been given as a present "Old Glory." The man, William Driver, flew it from his ship. In 1922, the original "Old Glory" was presented to the Smithsonian Institution, where it is kept for public viewing.

The Streaks lost in a sudden death playoff at the Distric Golf Tournament for the chance to advance the team t the Regional Tournament. Senior Frank Bell and freshma Wayne Byrd qualified as individuals and advanced to th Regional Tournament. Wayne Byrd also advanced to th State Tournament where he finished as the sixth lo medalist. The compatability of two seniors, two junior two sophomores, and two freshmen proved very successfu for a team effort.

Coach Yager Marks says that 1976 was a good year for the Blue Streak Varsity Baseball Team. They did much better this season than last with a 14-6 overall r record for third place in the district behind TA and R.E. Lee. The most disappointing aspect of this year was the 5-5 district record. The absence of a district tournament eliminated the possibility of advancing beyond this district for the Streaks. Coach Marks noted that this Spring offered good weather for playing baseball and the team had a lot of fun.

Out of the nine starters, seven were seniors. This will take a lot off the team for next year, but there are several returning players who look promising. These include Robbie Botkin, Dan Callahan, Steve Furr, Jeff Miller, Jim Morris, Jim Newton, John Stevens, and Pat Sweet. The top three batters this season were Bret Wescott, Jim Wheatley, and Russell Dickerson.

This year, everyone on the team got to play in at least two-thirds of the games. This helped every member of the team to have fun and to be prepared for a larger role next year. Coach Marks enjoyed coaching this season and feels that the Streaks made the needed comeback.

Steve Geil slides into Home on a wild pitch.

The J.V. Baseball team finished the season with a 7-6 record. According to Coach Roger Bergey, the J.V.'s were an outstanding offensive team but only fair on defense. Five 8th graders, nine 9th graders, and four 10th graders made up the team. The main starters were Tom Labieniec, Blake Leake, Rusty Mason, Carl LaBoube, Hank Heathe, and Terry Wescott.

Also seeing a lot of action were Tony Carter, Wayne Chittum, Lyle Cisney, Greg Derrow, and Jeff Derrow. The team ended with 2 consecutive wins—their fourth consecutive winning season.

Who could imagine that the first softball team of HHS would win the district title? Miss Tresa Quarles, coach, and Miss Ellen Conner, assistant coach, led the 18 girl team to an almost undefeated season. Out of the first five games, four were losses, but after that, the team was undefeated. Warren County was a pretty tough old team, and they were the first competitors to Harrisonburg. It was a crushing loss on April 2. In the second game one week later, Warren County almost didn't win; it took an extra inning to do so!

The Girls Tennis Team finished with a 10-6 overall record and a 5-3 record in the district. They were runners-up in the District to Waynesboro. The top players for the Girls Tennis Team were Beth Nardi who was no. 1 in singles and who also teamed up with Junior, Janet Palmer for no. 1 in doubles. They had 17 scheduled matches in which they competed against several AAA schools. The matches against the AAA schools increased the quantity of games played as well as the quality of their play. The graduating seniors are Cathy Link (No. 2-singles), Carla Amos (No. 5-singles, No. 2-doubles), Julie Fitzwater (No. 3-doubles), and Beth Nardi (No.-1 singles, No. 1-doubles). The highlight of the season was the trip to Suffolk over Easter to play Suffolk and Franklin.

The Boys' Tennis Team smashed their way to their 8th straight State AA Championship this year. Although five players graduated from last year's team, juniors Tim Link, Joe Neff, Steve Martin, and Bobby Wheatley joined returning senior starters Peyton Neatrour, Paul McKenney, and Mike Cline to form the winning combination. After playing the opening match, Wheatley separated his shoulder and was replaced by senior, Mark Bandurraga. In district competion, the Streaks were strongly challenged in their first match with Waynesboro, but the team managed two victories against them. The netmen breezed through regional tournament and state semi-finals. In the state finals, they met Virginia High School of Bristol, the same team the Streaks had beaten in the finals last year. Facing their stiffest competition of the year, the Streaks won the state championship when Neatrour and McKenney won the final doubles match of the day. Coach Jack Smith praises the play of the 1976 Streaks for their win and hopes for the same next year, despite the loss of Neatrour, McKenney, Cline, and Bandurraga, who will be greatly missed.

Alison breaks the tape.

When practice began for the girls' track team, forty came out. However, as the going got tougher, the group dwindled to a mere eighteen. Keeping this in mind, it is really surprising to see what happened for this team. With regard to actual meets, the team was able to win two meets and place third in the City-County meet. In addition, twelve of the eighteen girls participated in the Regional Meet at Loudon Valley. Three were able to compete at the State Meet at Madison College, Becky Price, Carol Johnson, and Martha Kennedy.

With regard to individual achievements, several girls set new records. Every record was broken this year. Some of the records broken, include: Gina Frantz's 15'1¼" in the long jump, Beth Simon's 93' throw of the discus, Martha Kennedy's 11.6 in the hurdles, Alison Butlers 64.6 440 yard dash, Becky Price's 5:41.0 nile, and Carol Johnson's 26.7 in the 220 yard dash. Of these eighteen girls, four seniors will be greatly missed. Three of these girls were the tri-captains, Becky Price, Bobbi Richardson, and Terry Zirkle.

One of Carol's fastest runs.

The 1976 season for boys track was a profitable one. Each member of the team contributed much. One of the most outstanding participants was Larry Brown. In his four years of running and jumping, Larry scored 317¼ points for the team. This is one of the highest scores that HHS has ever seen. Larry participated in the District, Regional, and State meets—gaining a second in the long jump at Regional. Joey Morris, another of HHS's best, placed first in the pole vault at both the District and Regional meets. Joey also participated in the State meet.

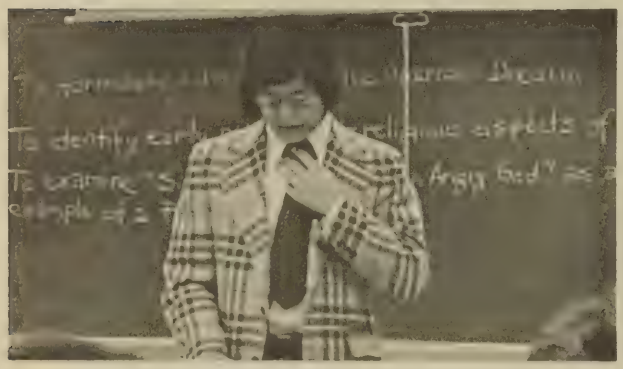
SCA In Action

Student Take-Over Day was a great success this year. The project was initiated in order to improve the students' understanding of the difficulties of teaching. The project, with the set criteria for participation, was approved by the faculty. Participants were required to be Seniors, to formulate lesson plans in cooperation with the teacher, and to submit their final lesson plans one week before.

The day before our Student Take-Over Day, participants assembled for our first (and last) faculty meeting. We discussed dress, conduct, and problems for the take-over with Mr. Bowers. The next day was exciting for the participants, their students, and the teachers. Feelings were almost unanimous that the project was a success and should be continued.

We never did find a replacement that could take Mr. Hall's place.



Student Take-Over Day also offered us a chance to show off our best threads!

Dynomite!

David Jones, Ray Woolridge; two great leaders.

ne of the most successful projects undertaken by the SCA this year was the Student Exchange Program. The ommittee, chaired by Starr Green, arranged for a week exchange with Yorktown High School in Arlington ounty. Though over 50 students signed up to be considered, only 15 were accepted in the end.

n April 4, the students selected met at the parking lot to load their luggage. After a short ride, we reached rlington, and were met by our host families at the high school. The highlights of our week included our tour f the White House (when we were privileged to shake hands with President Ford), our trip to the zoo, our wimming party, and our picnic. The school was much larger than H.H.S., and each of us noticed the lack of loseness of the students caused by the size. Few of us felt that Yorktown offered much improvement over arrisonburg, yet at the week's end, we were all reluctant to leave.

Ve were given our chance to show off our school on May 2. The eleven students arrived on Sunday, and their eek included a trip to Massenutten, New Market and Endless Caverns, a progressive dinner, and a picnic. The orktown students admired the close-knit relationships of our student body.

You Made Us Love You

Although at first the cast was skeptical, all doubts vanished when they received a standing ovation on opening night and every night to follow. It was a spectacular success. Such success was due to the hard work and sacrifices made by all; the responsibilities were tremendous. However the end result mande the effort worthwhile.

The musical centered around a 9th Avenue girl who is pulled into the most hilarious puton ever to be witnessed by the "stuffed-shirts" of 5th Avenue. Everyone went "wild, simply wild."

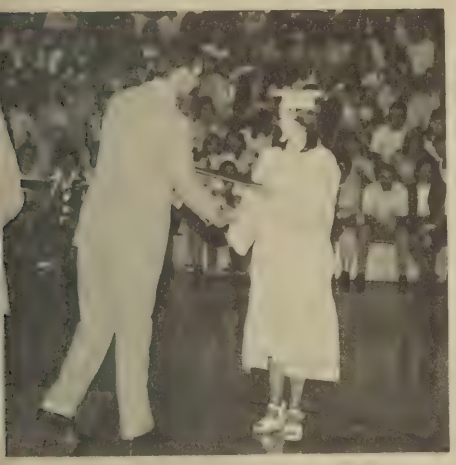
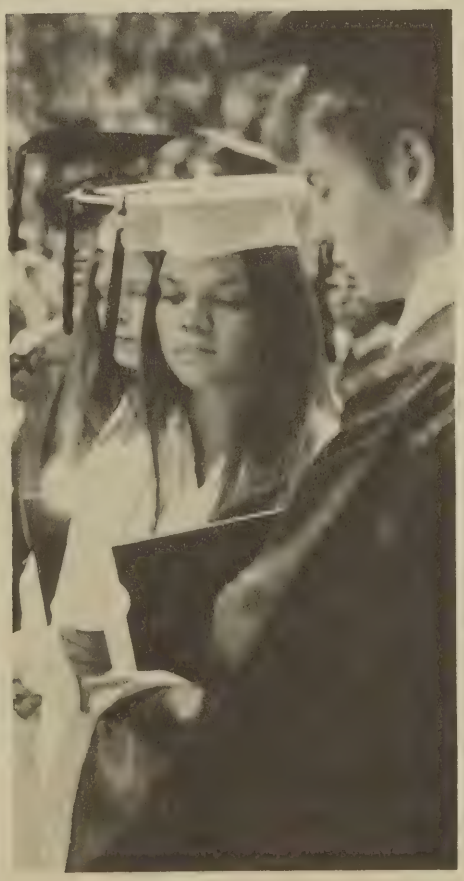
GRADUATION 1976

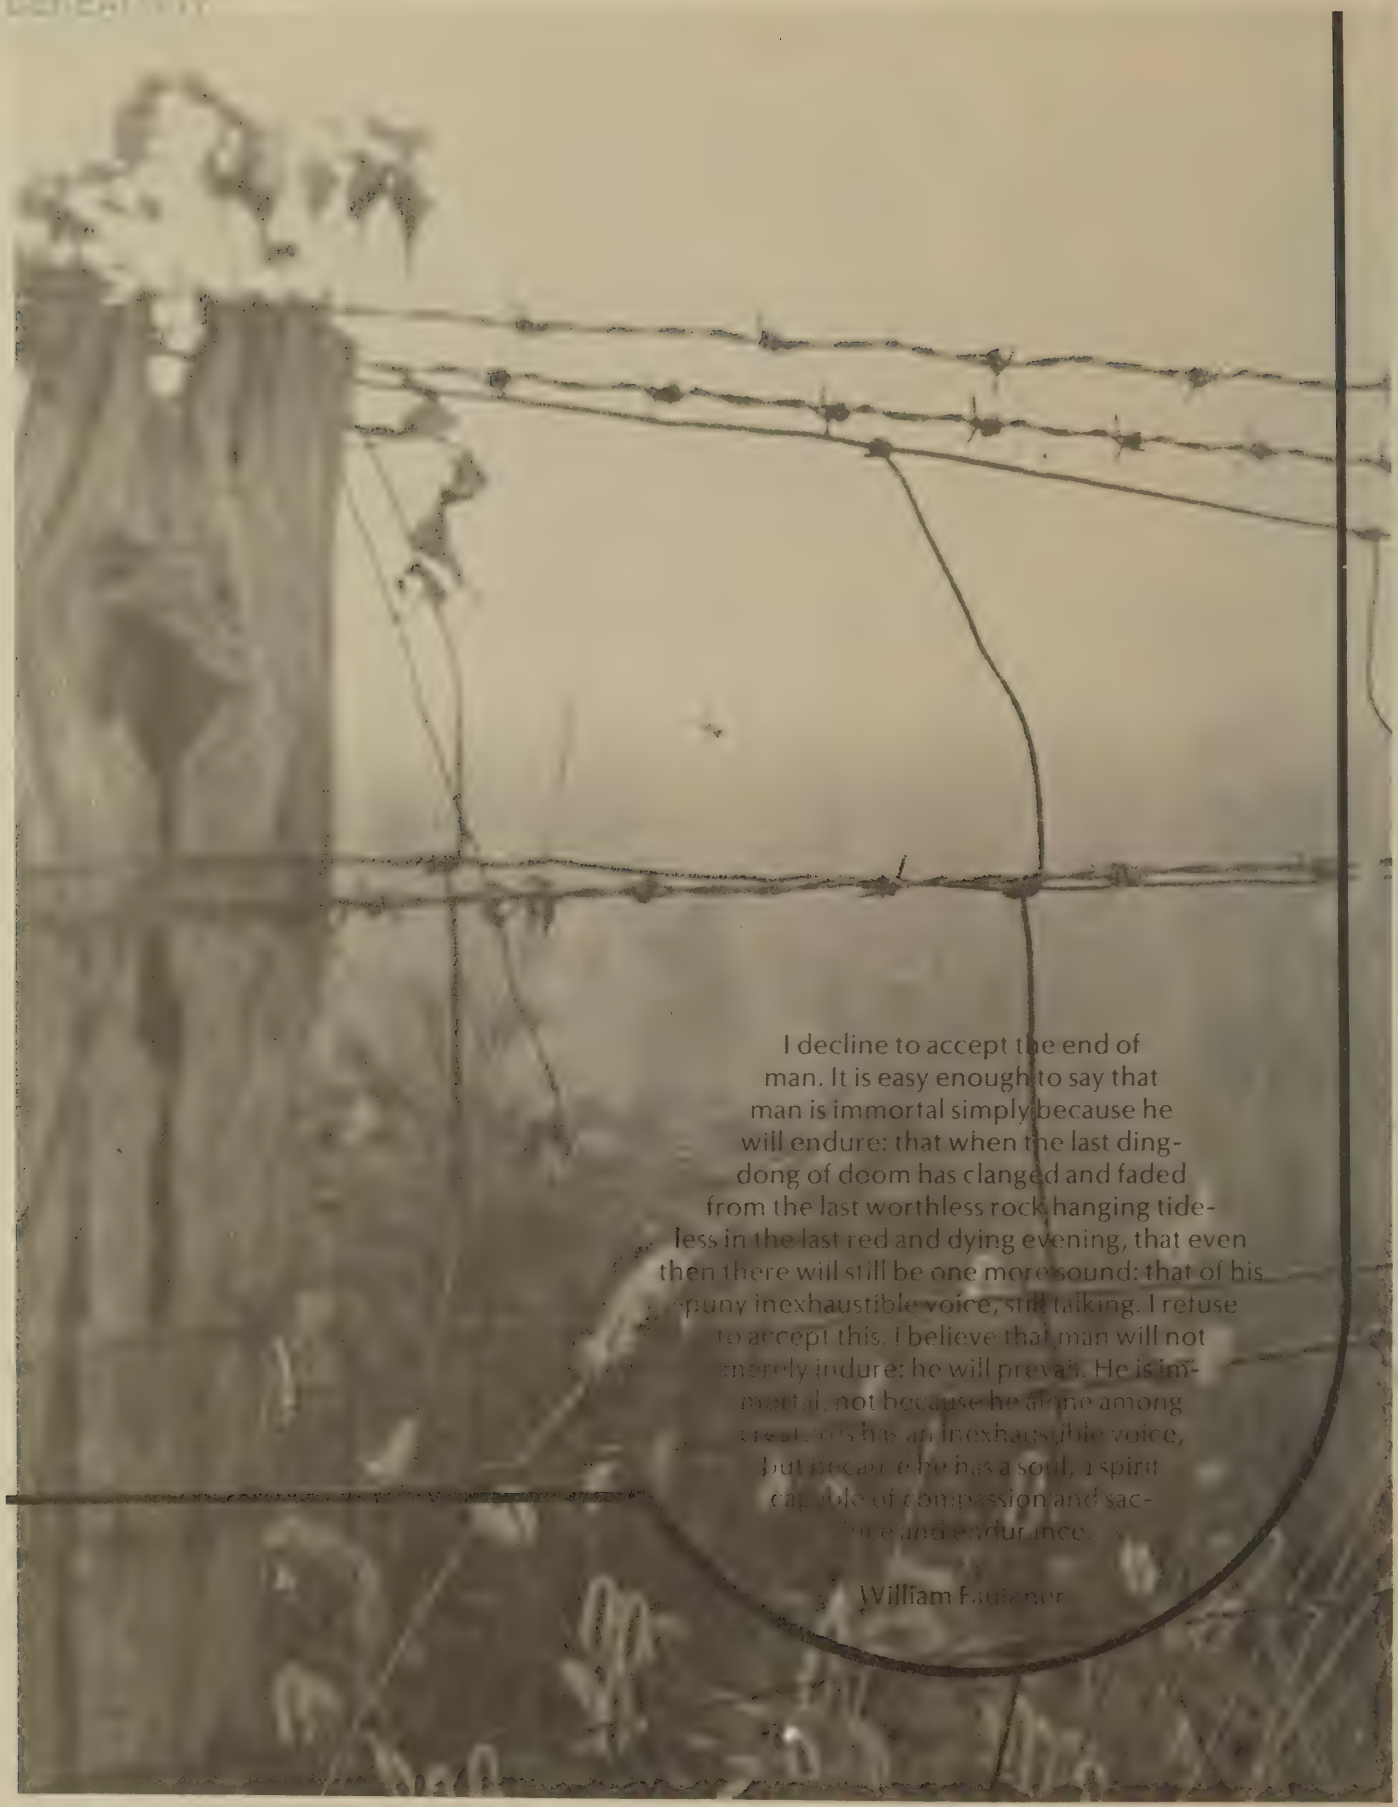
The Class of 1976 had a most memorable graduation. The commencement exercises took place on June 11th. At 7:00 p.m. the seniors proceeded into Claude Warren Field House and dropped their white carnations into the basket in front of the speaker's stand. The stage band and the Triple Trio provided all of the music for the memorable evening. Rich Eberly, Regional Director of Campus Life, gave the invocation. Dave Jones welcomed everyone to the graduation of the class of '76 at Harrisonburg High School,and then he introduced the speaker for the evening, Mr. Reggie Smith, Director of Leadership Development/Human Relations for V.E.A. Mr. Smith gave an outstanding address to the seniors. He received a tremendous applause after his speech. Following the speaker, Scott Callahan talked on the accomplishments of the graduating seniors. H.C. Bowers, III presented the diplomas following a brief farewell to the class of '76. Then Mr. Henry Buhl explained the symbolism in the graduation ceremony. After the seniors concluded their candle lighting ceremony, Mr. Buhl gave the benediction. Then the graduated class of 1976 at Harrisonburg High School proudly recessed from the field house.

A Beginning And An End



The class of '76 at Harrisonburg High School consists of 169 members who will be going their own separate ways after graduation. One hundred four members of the class of '76 are making plans to attend college. Twelve of the 104 graduates will be going out of state to attend college. Fifty-one members of the class of '76 are going to work after graduation, while 12 other graduates will be heading toward trade schools. Also four members of the class of '76 will be serving in the armed forces.





I decline to accept the end of man. It is easy enough to say that man is immortal simply because he will endure: that when the last ding-dong of doom has clanged and faded from the last worthless rock hanging tideless in the last red and dying evening, that even then there will still be one more sound: that of his puny inexhaustible voice, still talking. I refuse to accept this. I believe that man will not merely indure: he will prevail. He is immortal, not because he alone among creatures has an inexhaustible voice, but because he has a soul, a spirit capable of compassion and sacrifice and endurance.

Connie

Shawn,
First I want to say that I'm really glad we have algebra together. I'm sure we'll have lots of laughs. Never forget our backpacking trip in August. My feet still hurt! We'll have to go on a winter trip soon. Remember Martha's party & all that food we ate! Keep smiling!
Love,

Shawn,
Remember all the fun times we've had, especially in choir & Sunday school w/ Mrs. E, Mr. B. & Mr. N. (cute!). Hope you have lots of fun & luck in your Junior year. See ya at lunch! (Our one class together!)
AFA,
Alice

Scrawny,
This year let's not work on the Taj so they'll put our names in. Remember prom night and trying to get between the tables with those stupid hoops. Stay neat!
